

Learning English Through Storytime

Learning English Through Storytime assists families to improve and practice English in a fun educational environment.

We will sing songs, read stories and complete interactive activities which develop children's confidence and school readiness.

The program is suitable for children aged three to four years and their carers. Adults should be able to speak basic English as parents and children participate in the activities together.

A locally produced community book will be developed during the program and we'd love you to be a part of this project!

This program will run for six sessions on Monday mornings, 9.30 to 10.30am at Armadale Library.

Session dates: 2 August, 9 August, 16 August, 30 August, 6 September, 13 September.

Please complete the registration form on the back of this flyer and return it to Armadale Library.
