Dear Karen

I am pleased to advise that the Public School Review of Harrisdale Primary School has been completed. I endorse the report and am satisfied it will provide a basis for sustained school improvement.

The performance of your school, determined through your self-assessment submission and validated by the review team, has been confirmed to be exceptional.

The timeframe of return for the next Public School Review of your school will be five years, to be undertaken in Term 3, 2026.

I acknowledge the efforts of you and your staff in optimising the conditions for successful students. The commendations and recommendations for your school against each of the domains are noted.

In partnership with your leadership team and staff, you have created a shared, school-wide embedded pedagogy, which underpins the continuity of classroom practice. It is clear, this is what the staff truly value.

I have also noted, reflective of the school's culture, the high levels of staff efficacy, which drive a shared accountability and responsibility for each student's learning journey.

As stated in the initial correspondence, please make the report available to your staff and school community and upload it to your school website and/or Schools Online for a minimum period of 12 months.

I know you, your staff and school community will take the opportunity to use this report to continually improve outcomes for your students.

Yours sincerely
